

How to Print Your Nokia EDU Certification

Completing Curriculums and Certifications

- Certifications contain Curriculums.
 - Certifications are things such as Global Partner IP – Pre-Sales Professional Level 1
 - Curriculums are the learning paths containing the courses and exams required to obtain the certifications
- If you have been assigned or registered for one of the partner certifications, then the certification will be marked complete once you complete the curriculum.
- If you have not been assigned or registered for the certification before completing the curriculum, you may register yourself for a certification. Use the CSOD search field to search for and request a certification.
- You may also contact GCC (gcc.nokiaedu@nokia.com) or your Regional Learning Lead to have the certification assigned to you.

Viewing Completions and Certificates

- 1 From the Home or Welcome screen select View Transcript in Your Inbox
- 2 By default, the next screen shows all of the courses, curriculums, and certifications which you have not yet completed or are considered active

The screenshot displays the 'Your Inbox' section of a user interface. At the top, there is a blue header with the text 'Your Inbox' and an icon of an envelope with a green checkmark. Below the header, a red callout bubble with the number '1' points to a 'View transcript' link. The transcript information shows '(4 approved training selection(s))' and '(Registered for 41 training selection(s))'. Below this, a red callout bubble with the number '2' points to a filter bar containing three buttons: 'Active', 'By Date Added', and 'All Types'. To the right of the filter bar is a search input field labeled 'Search for training' with a magnifying glass icon. Below the search field is a checkbox labeled 'Hide Certified Certifications'. The main content area shows 'Search Results (48)' and lists two training items. Each item has a small icon on the left, a title, a 'Due' date, a 'Status', and a button on the right. The first item is 'TOP30021A_v3.0: 1830 PSS (Photonic Service Switch) Engine...' with a 'Launch Test' button. The second item is 'TTP53011_v1.0: 1830 PSS ROADM/TOADM Solution' with a 'Launch' button.

The screenshot displays a user interface for viewing training completions. At the top, there are three filter buttons: 'Active', 'By Date Added', and 'All Types'. A red callout '1' points to the 'Active' dropdown menu, which is open and shows three options: 'Active' (with a checkmark), 'Completed', and 'Archived'. Below this, a search bar contains the text '21A_v3.0: 1830 PSS (Photonic' and 'Status: Registered'. A red callout '2' points to the search results area, which is highlighted with a red border. This area contains a search bar with the text 'Search for training' and a magnifying glass icon. Below the search bar, it says 'Search Results (5)'. There are two search results listed, each with a laptop icon, a title, completion date, status, and a 'View Certificate' button. The first result is 'TAC42088E_v1.0: ALCNF FBA concepts & portfolio' with completion date '8/31/2016' and status 'Completed'. The second result is 'TBU54157WEN_v1.0: Ethical Business Training 2015 [EN]Engl...' with completion date '4/22/2016' and status 'Completed'. A red callout '3' points to the 'View Certificate' button of the second result, which has a dropdown menu open showing three options: 'View Certificate', 'Launch', and 'View Training Details'.
